

REMARKS

Favorable reconsideration and allowance of the claims of the present application are respectfully requested.

In the outstanding Office Action dated June 30, 2008, the Examiner alleged that Applicants' reply dated March 26, 2008 is not fully responsive for omitting to state whether the new added claim 20 reads on the original elected species combination.

Applicants submit that the new added claim 20 reads on the original elected species combination. Applicants point out the newly added claim 20 includes features of Claims 1, 4 – 7, and 9 – 11.

Applicants submit that the alleged lack of full response in the amendment dated March 26, 2008 has been cured by the instant amendment.

In view of the foregoing amendments and remarks, it is firmly believed that the subject application is in condition for allowance, which action is earnestly solicited.

Respectfully submitted,

Leslie S. Szivos, Ph.D.
